

## M-CNC 5 Axis Automation

### DMU50 3rd Generation

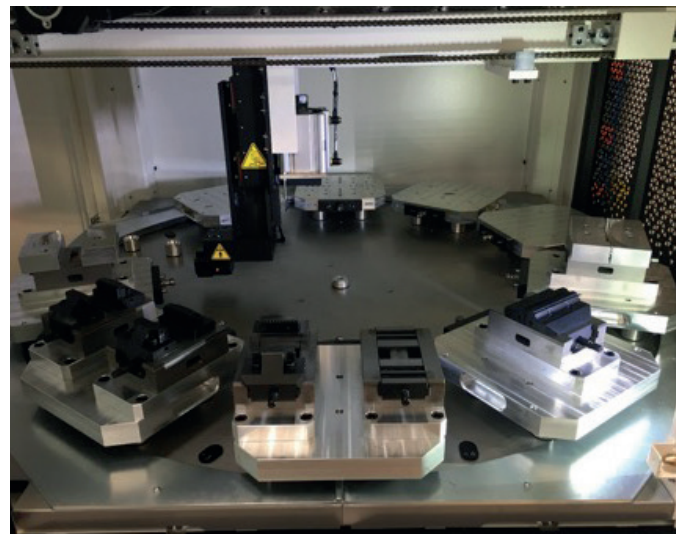

High speed 5-axis machining with automation via a 10-pallet pool for unmanned machining to provide cost effective production.

#### Specification

Max. X travels	650mm
Max. Y travels	520mm
Max. Z travels	475mm
Max. table load	300kg
Table diameter	630mm

### PH150 Pallet Pool

#### Specification

Number of pallets	10
Maximum workpiece weight	250kg
Maximum workpiece/	
Pallet Size	500mm dia x 500mm
